The Power to Surprise

The new Kia
OPTIMA

Life is what you make of it.
Welcome to the world of Kia.

Life is spectacular. It is vivid, unpredictable and exciting in all its facets. Whatever will happen, wherever you will go and whatever you will discover, Kia is with you.

We at Kia have dedicated our lives to making a contribution towards building a better future. That is why we develop and build cars which help you to discover and enjoy new horizons. Cars with stunning designs, advanced technologies and smart solutions. Cars with our remarkable 7-year warranty as proof of our outstanding quality. Whatever we do, we are driven by one mission: to always exceed your expectations. We call it 'The Power to Surprise'.

Now, we invite you to take a closer look and allow us to surprise you.

The Optima family

Innovation in every shape.

Distinctive design. Innovative technology. Ample comfort. The new Kia Optima family is a range of stand-out models designed to help you get wherever you need to be. For business. For family. For fun. Whatever your choice – refined sedan, spacious Sportswagon or eco-friendly Plug-in Hybrid – the Optima's impeccable quality, unmistakable style and impressive comfort will make every journey all the more inspired.

The Optima family

Innovation in every shape.

Distinctive design. Innovative technology. Ample comfort. The new Kia Optima family is a range of stand-out models designed to help you get wherever you need to be. For business. For family. For fun. Whatever your choice of refined sedan or spacious Sportswagon, the Optima's impeccable quality, unmistakable style and impressive comfort will make every journey all the more inspired.

Exterior design

Bold. And beautiful.

With a dynamic profile and an impressively sporty side, the Optima is a truly fresh take on the category. Attractive LED rear lamps, bold spoilers and unique chrome accents around the exhaust and lower bumper highlight the natural good looks. And hard-to-miss 17" machine-finished rims keep the style stakes high – right down to the wheels.

17" rims with eye-catching machine finish

Exterior design

A first impression designed to last.

Sleek lines, refined styling and a confident stance give the Kia Optima its distinctive appearance. The spacious dimensions ensure excellent stability, comfort, handling and roominess. Look closer and you'll find even more innovative ideas to impress. The Kia signature grille adds an unmistakable edge, while the striking headlamp design and eye-catching chrome accents on the windows complete this bold style statement.

Interior design

Cool, calm and full of comfort.

Discover a whole new world of comfort in the new Optima interior. High-quality soft-touch materials take refinement to the next level, while glossy black highlights add an extra dose of style. Thanks to the cleverly designed driver-oriented cockpit, you'll always know that everything is right where you need it to be.

Interior design

Room to thrive.

The soft-touch Optima interior is designed to maximize your space – and your comfort. The generous dimensions offer you plenty of room to settle in and enjoy the ride. Ingenious ideas like ventilated seats with an integrated seat position memory system help keep you perfectly cool and comfortable. And finally, with optimized soundproofing things are always refreshingly calm inside the cabin.

1. **8-way power adjustable front seats** include 4-way driver and 2-way front passenger lumbar support for ultimate comfort.
2. **Heated and ventilated seats** keep you fresh in the summer and nice and cosy when it's chilly.
3. **Integrated Memory System** helps make you even more comfy by remembering your preferred settings for both the driver seat adjustments and the exterior mirrors.

GT Line exterior design

Sporty in all the right places.

The Optima GT Line isn't shy to show off its sporty side, with no shortage of stand-out details to catch your eye. Bold LED headlamps and rear lamps with black bezel, striking side sills, twin exhaust and sporty bumpers add to its distinctive look. The Kia signature grille and 18" alloy wheels also deliver some serious flair.

The distinctive **high-tech headlamps with LED lights** to keep the road ahead crystal clear, while Dynamic Low Beam Assist maximizes visibility by adapting the light to the direction of the turn.

GT exterior design

Built to thrill.

There's sporty – and then there's the new Optima GT. Designed to impress from every angle, the GT boasts sharp contours, athletic appeal and a host of sublime details – like 18" alloy wheels with red calipers, eye-catching side sills and twin exhaust. A 2.0 T-GDi engine with 238 PS completes the package – making the Optima GT a winning combination of serious performance and pure refinement.

2

GT & GT Line interior design

Sporty, spacious and irresistible.

It's hard to resist the Optima GT and GT Line's sleek interiors. The incredibly stylish soft-touch materials and soothing ambient light enhance your comfort, while the handy sports mode on the cluster keeps you informed of speed, torque and turbo pressure. And of course, there's plenty of style amongst all the comfort: the D-shaped steering wheel, aluminium pedals and distinctly sporty seats are just some of the features that add to the thrills.

- 1. **Aluminium pedals:** stylish finishes keep things refined from top to bottom.
- 2. **Cluster with GT mode screen:** the 4.3" trip computer screen displays speed, torque and turbo levels to keep the important information close at hand.

Versatility & spaciousness

Flexible. Adaptable. Spacious.

Life is so much more rewarding when you have full freedom to make the most of it. In the new Optima, space and flexibility are always on your side, thanks to a generous luggage compartment, versatile one-touch flat folding seats and clever interior dimensions that maximize spaciousness and comfort. Additional touches make things even more convenient – like underfloor storage spaces, a handy adjustable luggage rail system and a Smart Power Tailgate for hands-free trunk opening.

1. **Spacious trunk with 40:20:40 flat folding seats** With rear seats that split and fold flat for maximum capacity, you'll have no problem finding extra space.
2. **Safety barrier net** Keep large items – and even pets – safely stowed with a handy protective safety barrier that prevents items from moving around the cabin in transit.
3. **Adjustable luggage rail system** The vertical rails prevent items from moving around in the trunk. They can be fitted with flexible aluminium bars and adjusted individually to suit different sizes and requirements. They also come with luggage hooks and handy belts for round items.

ECO dynamics

Powertrain

Smart & smooth engines.

The new Kia Optima keeps your options wide open when it comes to powertrains. You can choose between a range of refined petrol or diesel engines – including a 2.0 petrol engine 163 PS and a turbo-charged petrol engine with 180 PS, as well as a 1.6 diesel engine with 136 PS. Whatever your choice, you'll enjoy a wonderfully smooth, quiet and fuel-efficient ride.

- 1. 7-speed dual-clutch transmission (DCT)** The diesel and the 1.6 T-GDi petrol engines are available with a 7-speed dual-clutch transmission for an even sportier – and more thrilling – ride.
- 2. 6-speed manual transmission** Faster, better and smoother, 6-speed manual transmission will make your ride an even greater pleasure.
- 3. Energy Regeneration System** The Optima's Energy Regeneration System is paired with Idle Stop & Go. Good for the environment – and for your wallet – the fuel-saving, CO₂-reducing ISG technology saves energy by turning off the engine when you take your foot off the clutch and have the gears in neutral. The Energy Regeneration System activates when you take your foot off the accelerator – recapturing kinetic energy that would normally be lost and using it to recharge the battery.

GT engine.

The impressively responsive 2.0 T-GDi engine delivers 238 PS for high performance, and a dynamic and thrilling ride.

6-speed automatic transmission

Enjoy smooth acceleration, agile gear shifts and fuel economy with 6-speed automatic transmission.

Control

Always in control.

Settle in for a beautifully smooth ride. The Optima's chassis allows for even more responsive manoeuvres and even more control – regardless of the conditions on the road. And, thanks to robust front wheel bearings and larger, dual rear lower control arms, the Optima's ride and handling are more refined than ever.

Rack-type Motor-Driven Power Steering (R-MDPS)

Enjoy a firm, solid, centred feel and an unprecedented steering response with innovative Rack-type Motor-Driven Power Steering (R-MDPS). Standard with diesel engine and Optima GT.

Pre-loaded Linear-valve Dampers (PLD)

For increased driving comfort, the standard Pre-loaded Linear-valve Dampers allow very rapid valve opening and closing for better wheel damping. Innovative piston geometries reduce noise, and vehicle body vibrations are damped for even more comfort on the road.

Electronic Controlled Suspension (ECS)

The Electronic Controlled Suspension system adapts in real time to driving conditions, and modulates damping characteristics for optimum handling and ride quality. Standard on GT, optional on GT Line with 7-speed DCT diesel.

Protection

Full-force protection.

It's safety first in the new Optima, which sets new standards when it comes to protective materials and features. An innovative use of metals and structural adhesives improves the cage, while attention to every detail takes driver and passenger protection to the next level.

Smart adhesive

Thanks to the use of 119 metres of structural adhesive the new Optima has increased structural rigidity and minimized noise, vibration and harshness levels.

7 Airbags

To help protect occupants and potentially reduce injuries in the event of a collision, the Optima offers driver, front passenger, two front-side and two side-curtain airbags, as well as a driver's knee airbag on all models.

Advanced High-Strength Steel

The new Optima uses more than 50% Advanced High-Strength Steel (AHSS). The rigid bodyshell means even more protection for both driver and passengers. Plus, on the sedan the ring-shaped section defines the boot opening behind the rear seats below the shelf – and substantially increases body rigidity for further safety and support.

Hot-stamped components

The hot-stamping of components in 16 core stress areas significantly boosts body structure and provides improved crash protection, better driving dynamics and a quieter ride.

Plug-in Hybrid exterior design

The new look in eco-friendly.

The new Kia Optima Sedan Plug-in Hybrid and Sportswagon Plug-in Hybrid are set to make a real splash. As eco-friendly hybrids, they are low on fuel and emissions – but high on style. Dynamic lines and sporty dimensions set the tone, and attention to every eye-catching detail ensures that these striking models impress from all angles.

1. **Charging socket** with a standard EU charging socket, the Optima Plug-in Hybrid can be charged with a 220 V household socket or at a public charging station.
2. **LED front lights** and a distinctive eco blue element in the grille area add to the bold exterior design while delivering better illumination and less energy consumption.

Plug-in Hybrid features

Next-level hybrid performance.

The thoroughly impressive Optima Sedan Plug-in Hybrid and Optima Sportswagon Plug-in Hybrid prove that you can cut back on emissions – and still deliver on performance. Thanks to their advanced powertrains, they manage to balance efficiency with dynamics, providing a fast and smooth transition from electric mode to hybrid (petrol/electric) operation – in both city traffic and on the motorway.

1. **Navigation display** shows information such as energy flow, driving style, and efficiency.
2. **White leather seat pack** adds to the stylish interior and enhances the sense of relaxation and calm.
3. **Cluster** offers useful information on current mode (hybrid mode, electric mode) and energy flow.
4. **Spacious trunk** with 40:20:40 flat-folding seats. With the rear seats folded flat, the Optima Sportswagon Plug-in Hybrid offers a whopping 1574 litres of luggage space.

ECO plug-in

Connectivity

Switched on. Plugged in. Always in touch.

The driver-oriented interior of the new Kia Optima keeps you connected with plenty of hassle-free – and hands-free – features. The Wireless Phone Charger keeps you switched on at all times, while the Harman/Kardon™ sound system delivers premium-quality sound. With a choice of 7" or 8" navigation screens, your routes will be crystal-clear – and thanks to seven years of free map updates*, you'll always have the right information at hand.

- 1. Supervision cluster with 4.3" TFT-LCD** The bold, tandem-cylinder supervision cluster boasts a 4.3" colour TFT-LCD which provides customizable data essentials – from average fuel economy to turn-by-turn navigation information.
- 2. Wireless Phone Charger** Enjoy the convenience of wireless charging. Simply place phones with Qi technology or suitable cases directly onto the centre console and charge without a cable.
- 3. Harman/Kardon™ sound system** Enjoy world-class sound with this advanced system with Clarify™ technology. The sedan offers a ten-speaker, 8" subwoofer system, while the Sportswagon features an eight-speaker and 8" subwoofer system.

7 Year Map Update

As part of our extensive quality promise, all new Kia vehicles factory-fitted with an LG navigation device are entitled to 6 free annual map updates at the service point. This unique programme ensures your navigation system is always up to date.

harman/kardon

Kia's Connected Services

Where? When? How? The answer is here.

Our new navigation system with Kia's Connected Services powered by TomTom Live Services takes reliable route guidance to the next level of accuracy and excellence. It keeps you in touch with the outside world and offers more handy information than ever. At the heart is a WiFi unit that enables the Optima navigation system to connect to the Internet through your smartphone.*

1. Live traffic**:

The navigation system delivers highly accurate live traffic information that is updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

2. Speed cameras**:

You'll also be alerted to a whole range of speed cameras, including fixed and stationary ones, as well as restricted access zones. The system can even take into account areas where accidents are particularly common, and warn you about these accident black spots.

3. Local Search:

If you're looking for a sushi restaurant, a supermarket or a particular place to meet, simply select Local Search. The database contains 500 searchable categories, 25,000 keywords and 250,000 locations to ensure you find what you need.

4. Weather forecast:

Is your weekend away going to be sunny or a washout? Better check the weather forecast. Just type in your destination to view a four-day summary, complete with minimum and maximum temperatures, wind speed and chances of sun or rain.

5. Parking information:

To help you park your car swiftly, the system will indicate parking areas before you arrive at your destination. It will show potential on-street parking spaces based on historic data, and off-street parking with colour coded availability.

6. Fuel info:

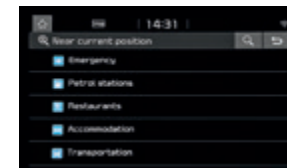

When you're running low on fuel, the system will show you the nearest petrol stations and prices using a TomTom online database, so you can plan your refuelling stops accordingly.

Active safety

Advanced features to keep you safe.

In the new Kia Optima, you can be sure that you're covered every step of the way. From innovative technology that assists you on the road, to active safety features that protect both passengers and pedestrians – the Optima is geared to giving you utmost peace of mind.

1. Forward Collision-Avoidance Assist (FCA)

Forward Collision-Avoidance Assist is capable of detecting both the preceding vehicle and pedestrians crossing the road. Using a radar sensor and a camera to monitor the proximity and velocity of vehicles, it warns the driver in the event of any potential collision risk. If there's no driver reaction, the car brakes automatically to avoid or mitigate an accident.

2. Smart Cruise Control (SCC) with Stop & Go

Smart Cruise Control uses radar to detect the speed and the distance to the vehicle ahead. It automatically maintains a safe distance to the preceding vehicle, up to a speed preset by the driver. In stop and go traffic, the system brings the car to a halt when appropriate and then accelerates back to the original set speed.

3. Lane Keeping Assist (LKA) with Driver Attention Warning (DAW)

No need to worry about drifting out of your lane. Lane Keeping Assist alerts you and even steers you back into place to keep you exactly where you need to be. Driver Attention Warning (DAW) monitors the driver steering and acceleration pattern to detect if you're losing concentration and alerts you with a warning sound and a coffee cup symbol in the cluster.

4. Blind-Spot Collision Warning (BCW) and Lane Change Warning (LCW)

Blind-Spot Collision Warning has radar sensors that monitor your blind spots and warn you of oncoming cars with a flashing light on the side-view mirror, while Lane Change Warning helps you change lanes safely. The system detects and alerts you when cars up to 70 m away are approaching in the parallel lanes.

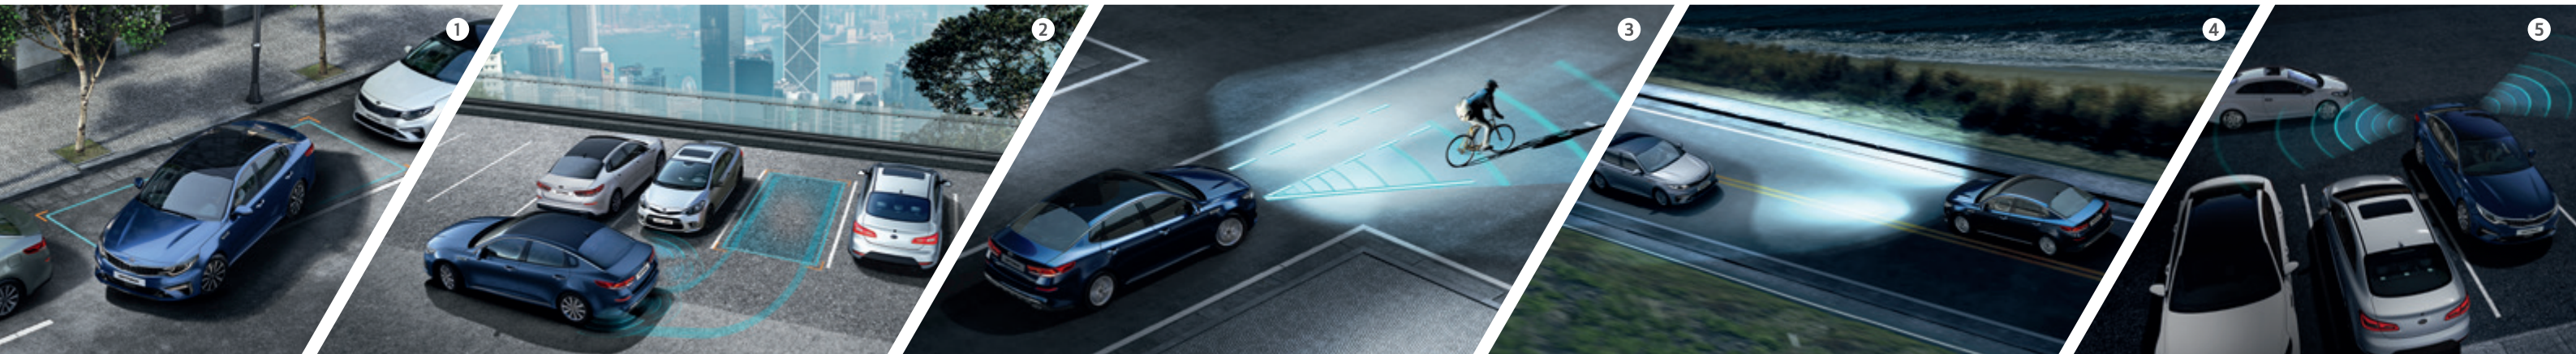

5. Intelligent Speed Limit Warning (ISLW)

Intelligent Speed Limit Warning gives you all the necessary information to help you stay within the speed limits. Using the camera on the windscreen, it reads speed limits and overtaking restrictions, and displays the information clearly on the navigation screen and cluster.

Driver assistance

Innovative ideas and smart support.

You'll never be caught unaware in the new Kia Optima. With innovative features that assist you on the road, the Optima is full of ways to keep you informed – and optimize your safety.

1. Around View Monitor (AVM)

At speeds below 20 km/h, the AVM combines four wide-angle images (taken from cameras on the front, rear and sides of the vehicle) to give you a bird's eye view of the space around you. In the Optima Plug-in Hybrid the view is 270 degrees.

2. Smart Parking Assist (SPA)

The Smart Parking Assist makes parking a breeze. It uses side-mounted sensors to help steer you into parallel and perpendicular spaces. All you need to do is handle the brake, accelerator and gears – the system takes care of the manoeuvres. Plus, with the manoeuvring-out function, you'll even get help pulling out of parallel parking spots.

3. Dynamic Low Beam Assist

There's no such thing as being left in the dark. The Dynamic Low Beam Assist directs the low beams to follow the curve as the vehicle turns, improving night-time visibility. It adapts in proportion to vehicle speed, weight and the angle of turning.

4. High Beam Assist (HBA)

A camera in the windscreen detects the cars ahead, and the High Beam Assist system automatically switches to high or low beam in order to match the right driving conditions.

5. Rear Cross-Traffic Collision Warning (RCCW)

You'll have no nasty surprises when backing out of a parking space or driveway. The Rear Cross-Traffic Collision Warning alerts you of any crossing traffic when reversing out of a parking space.

Convenience and comfort

Every box is ticked.

You'll be truly amazed by the Optima's attention to every detail and every finish. From ingenious features and sublime comfort to a host of enticing optional extras, you'll find everything you need – and plenty you'll want.

Panoramic sunroof The broad, three-piece panoramic sunroof adds a breezy and bright dimension to your journeys. Electric controls allow you to open and close it easily. Optional on EX, GT Line and GT.

Rear power socket
With USB and 12 V sockets mounted on the rear centre console, your passengers will have no trouble charging their devices.

Rear window sunshade
The retractable rear window sunshade helps you keep passengers and cargo nice and cool on hot days.

Smart Key
Enjoy keyless access to your car with the Smart Key, and a start/stop button that lets you switch the engine on and off with a simple touch.

Electronic Parking Brake (EPB)
Park at the touch of a button with the handy Electronic Parking Brake.

Remote window control
Open or close all your windows with a remote key by simply holding for three seconds. Includes a safety stop.

LED fog lamps
Stylish and practical, the LED front fog lamps illuminate the road ahead when visibility is limited.

Smart Welcome Lighting System
The exterior and interior lights synchronize with your Smart Key to light up and welcome you back to your car.

LED map lamps
Bright, durable LED map lamps on the overhead console will keep things perfectly clear. Included with the panoramic sunroof.

Dual-zone fully automatic temperature control
To keep everybody comfortable, the standard dual-zone fully automatic temperature control system offers separate controls for both driver and passengers.

Heated steering wheel
Take the bite out of cold winter days with the optional heated steering wheel.

60:40 split rear seats in the Optima Sedan For maximum capacity, the rear seats in the sedan split and fold flat. Not available in the Optima Plug-in Hybrid.

Paddle shifters With paddle shifters at your fingertips, gear changes are guaranteed to be lightning-quick. Available only with automatic and dual-clutch transmissions. **Steering-wheel audio remote control** Adjust the volume, change stations – and keep your hands on the wheel with the handy steering-wheel audio remote control.

Auto de-fogger system
Clear windows quickly in cold or humid climates to make sure your view is never obstructed. Standard on EX.

Accessories

Stylish and smart ways to keep your Kia looking its best.

Kia Genuine Accessories are designed to meet the highest standards of quality – and style. Complement your Kia Optima with a range of premium accessories which your local Kia dealer will be delighted to help you choose.

1. + 2. Trunk mat & rear bumper protection foil A high-quality velour mat keeps the trunk area looking clean, new and stylish. Tailored to fit the load area precisely. The rear bumper protection foil helps prevents damage to the paint while loading and unloading the trunk. Available in black and transparent.

3. All weather mats Set of 4 individual floor mats, tailor-made to fit the car's footwells. These durable mats trap water, mud, sand and road salt, with a special finish that makes them very easy to keep clean.

4. Trunk liner This light, water-proof and durable trunk liner with raised edges protects the trunk area from dirt, spills and grime. Custom made for your vehicle and branded with the Optima logo.

5. LED door projectors Stylish entrance in the darkness with subtle yet sharp beams for gorgeous ambient ground lighting, featuring the Kia logo. Automatically activated when the front doors are opened.

6. LED footwell illumination Premium touch that bathes the front and rear footwell in refined ambient light whenever the doors are unlocked, fading out when the engine starts. Available in classic white and stylish red.

7. Door mirror caps High-gloss stainless steel door mirror caps add even more style to the Optima's exterior.

Interior grades

Every decision will be a good one.

Take your pick of the new Optima’s refined interior colours, materials and trims. With three different sophisticated interior options, you simply can’t go wrong.

EX optional grade Saturn Black leather

EX optional grade brown leather

EX optional grade black cloth and synthetic leather

EX optional grade brown cloth and synthetic leather

EX/LX standard grade black cloth

EX/LX standard grade brown cloth

Black one-tone interior

Rich but subtle black interior, with one-tone dashboard, and a choice between black leather, half-leather and cloth seats, and metallic accents.

Brown one-tone interior

Soothing brown leather interior with one-tone dashboard and a choice between brown leather, half-leather and cloth seats, and metallic accents. Not available for Optima Sportswagon.

EX optional grade grey leather

EX optional grade grey cloth and synthetic leather

EX/LX standard grade grey cloth

Grey two-tone interior

Stylish grey two-tone interior with a choice between grey two-tone leather, half-leather and cloth seats, combined with grey door panels, lower dash and console armrest, black upper dashboard and door top sills, black footwells, lower console and lower doors, plus metallic accents.

Black leather with red stitching (GT Line and GT)

Black/red leather with red stitching (GT Line and GT)

White leather pack (PHEV only)

Special interiors

For the GT Line and the GT, choose between striking black leather sports seats with contrasting red stitching or black/red leather sports seats adorned with GT emblem. The Optima Plug-in Hybrid comes with a sleek white leather pack for truly stand-out style.

Max. 150,000 km vehicle warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar). Deviations according to the valid guarantee conditions, e.g. for paint and equipment, subject to local terms and conditions. Fuel consumption (l/100 km)/CO₂ (g/km): urban from **XX/XX to XX/XX**, extra-urban from **XX/XX to XX/XX**, combined from **XX/XX to XX/XX**. The specified consumption and emission values were determined according to the legally prescribed measurement procedures (EU) 2017/1153. The above values have been tested in the new WLTP (Worldwide Harmonized Light vehicle Test Procedure) test cycle and converted back to NEDC (New European Driving Cycle) in addition measured according to the RDE (Real Driving Emissions) method.

Peace of mind

All the peace of mind you'll need.

7-year vehicle warranty

Every Kia benefits from a 7-year/150,000 km new car warranty (up to 3 years unlimited; from 4 years 150,000 km). This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule.

5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

Stay in touch with Kia

Visit www.kia.com for all the latest news. Find out more about Kia and our exciting new car range. Get updates on achievements in alternative fuel development, like liquid gas, hybrid and fuel cell technology. Or discover what our Environment Research Centre is working on.

We're also involved in major sporting events: Kia is an official partner of both UEFA and FIFA. We sponsor the Australian Open and the tennis star Rafael Nadal.

Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Please ask for details.
