

The Power to Surprise

The all-new Kia
picanto

Life is what you make of it.
Welcome to the world of Kia.

Life is spectacular. It is vivid, unpredictable and exciting in all its facets. Whatever will happen, wherever you will go and whatever you will discover, Kia is with you.

We at Kia have dedicated our lives to making a contribution towards building a better future. That is why we develop and build cars which help you to discover and enjoy new horizons. Cars with stunning designs, advanced technologies and smart solutions. Cars with our remarkable 7-year warranty as proof of our outstanding quality. Whatever we do, we are driven by one mission: to always exceed your expectations. We call it 'The Power to Surprise'.

Now, we invite you to take a closer look and allow us to surprise you.

Forever young. Eternally fun.

Young, fun and stylish, the all-new Picanto is full of energy and even more: It's also full of comfort features, smart ways to stay connected and advanced technologies to keep you safe – making it the perfect balance of youthful spirit and serious driver enjoyment.

A compact with supersized style.

There's a lot to love about the all-new Picanto's sporty design. From dynamic lines to bold style accents like the new Kia signature grille and bumper, it's a chic model that's ideal for zipping around the city. Plus, with a choice of 11 exciting body colours to choose from, you can pick the car that's perfect for you.

A perfect fit, wherever you go.

With its compact dimensions, dynamic performance and agile handling, the all-new Picanto is the ultimate match for any city. From narrow streets to winding roads, your journeys will always be smooth sailing.

Pure comfort.
With premium touches.

The interior of the all-new Picanto is geared to keeping you smiling. With spacious dimensions, intuitive modern design and premium materials, you won't be able to stop yourself. So go on. Get in, get comfy – and delight in every ride.

Navigation system with 7-inch floating touch screen

The stylish infotainment system keeps you effortlessly on track with navigation, real-time updates and more.

Always a step ahead.

Life in the fast lane means you're always on. That's why the all-new Picanto is loaded with smart ways to keep you in touch, informed and fully connected.

Sun visor illumination lamps

It's easy to stay stylish with the handy illumination lamps. Simply pull down the sun visor and open the mirror to activate. There are lights at each side of the glass, as well as a striking U-shaped mood light around the sides and bottom.

Wireless phone charger

Enjoy convenient, cable-free charging for compatible smartphones, with the optional wireless phone charger – the charging pad is at the front of the centre console for easy access.

2.6-inch colour TFT-LCD

The vivid colour LCD delivers tyre pressure alerts and other essential vehicle and trip information.

Bluetooth hands-free with voice recognition

Thanks to built-in Bluetooth® you can pair your compatible mobile devices for music streaming, hands-free calls and navigation.

Where? When? How? The answer is here.

Our new navigation system with Kia's Connected Services powered by TomTom takes reliable route guidance to the next level of accuracy and excellence. It keeps you in touch with the outside world and offers more handy information than ever. At the heart is a Wi-Fi unit that enables the all-new Picanto's navigation system to connect to the Internet through your smartphone.*

Kia's innovative hotspot app uses your Android phone's Bluetooth to detect when a Kia navigation system is in range. It then switches on the hotspot to connect to the navigation system's Wi-Fi, and turns it off again when the communication with the car is interrupted or stopped – making it even more convenient to use Kia's Connected Services.

1. Live traffic**

The navigation system delivers highly accurate live traffic information that is updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

2. Speed cameras**

You'll also be alerted to a whole range of speed cameras, including fixed and stationary ones, as well as restricted access zones. The system can even take into account areas where accidents are particularly common, and warn you about these accident black spots.

3. Local search

If you're looking for a sushi restaurant, a supermarket or a particular place to meet, simply select Local search. The database contains 500 searchable categories, 25,000 keywords and 250,000 locations to ensure you find what you need. Plus, the system allows you to search in ten languages, even while abroad.

4. Weather forecast

Is your weekend away going to be sunny or a washout? Better check the weather forecast. Just type in your destination to view a four-day summary, complete with minimum and maximum temperatures, wind speed and chances of sun or rain.

androidauto

Android Auto™ is designed to keep you perfectly connected to your phone – while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

A compact that's big on space.

Think a compact can't be big on space? Think again. The all-new Picanto feels surprisingly spacious, with generous dimensions for head, shoulder and legroom – even in the rear. And with a heated steering wheel and front seats, there's even more reason to get nice and comfy.

Heated front seats

Heated steering wheel

More room. More adventures.

The energetic all-new Picanto is ready for anything. With its roomy cabin, versatile folding seats and outstanding 255 l luggage capacity, you'll have all the space you need to make the most of every day.

60:40 split-folding rear seats
Enjoy the flexibility of rear seats that split and fold 60:40 to accommodate people or cargo.

Dual-level luggage board
The cargo area floor board mounts flush with the folded seatbacks, concealing space below for tall objects.

Double tray
Located below the temperature controls, the double tray is a convenient spot for sunglasses, remote controls or audio devices.

Glove box
With separate sections for your favourite accessories, the glove box keeps you beautifully organized.

Centre console armrest
The floor-mounted centre console offers convenient additional storage. The adjustable armrest also slides to offer you the perfect position for your arm.

Front cup holder
Dual cup holders at the front of the console keep your drinks close at hand – and if you prefer a more flexible space, the cup holders can be easily transformed at the touch of a button.

255l

cargo capacity

A car you can count on.

The all-new Picanto's engines are reliable, efficient and perfectly geared for the city.

Automatic transmission

The 4-speed automatic transmission offers quiet operation and shift points that are set to maximize smoothness – even in stop-and-go city traffic.

Manual transmission

The 5-speed manual transmission features friction-reduction measures for lasting performance, and lets you select gears quickly.

67 PS, 9.8 kg·m

Kappa 1.0 MPI engine

With a centre-OCV CVVT valve-train, the smooth-running, 67 PS, 1.0-litre MPI engine combines efficiency, power and dynamic performance.

84 PS, 12.4 kg·m

Kappa 1.2 MPI engine

The 84 PS, 1.2-litre, dual-CVVT MPI engine with piston-cooling jets and coated piston rings is feisty and capable, while remaining quiet and efficient.

100 PS, 17.5 kg·m

Kappa 1.0 T-GDI engine

The 100 PS, 1.0-litre turbo gasoline direct injection engine pairs frugality at the fuel pump with agility for excellent all-round performance.

Safety first.

The all-new Picanto's active safety features ensure that you always stay alert, informed and forewarned. That means help with everything from squeezing into a parking space to avoiding a collision.

RPAS (Reverse Parking Assist System)

Take the stress out of parking with RPAS, which uses beeping sensors to warn you as you get closer to a car or object.

Rear-view camera with dynamic guidelines

As you reverse into a parking space, the waterproof rear camera will project an image onto the 7" floating display, along with dynamic guidelines to help you into place.

FCA (Forward Collision-Avoidance Assist)

Using a radar, FCA detects any potential collisions ahead. If necessary, it warns the driver of the risk, and applies ESC braking to help prevent a collision.

Advanced High-Strength Steel and hot-stamped steel (AHSS)

The all-new Picanto uses more than 44% Advanced High-Strength Steel (AHSS), as well as hot-stamped components in the core stress areas. This greatly improves average body tensile strength and rigidity – enhancing cabin protection and improving dynamic performance.

44%

67m

Advanced adhesives

Front/side/curtain/knee airbags
To help protect occupants and potentially reduce injuries in the event of a collision, the all-new Picanto offers driver and front passenger airbags, two front-side airbags, two side-curtain airbags and an optional driver's knee airbag.

Uncompromising protection.

The all-new Picanto is serious about keeping you protected. With advanced active safety features and rigorous attention to detail, it's built to offer you full peace of mind.

HAC (Hill-start Assist Control)
When at a standstill on an incline, HAC prevents you from rolling backwards. It gently applies the brakes from the moment you lift your foot from the brake pedal, giving you time to switch your foot smoothly to the accelerator.

ESC (Electronic Stability Control)
ESC ensures optimal braking performance and directional control. It automatically delivers the right amount of braking force to each wheel, based on an evaluation of engine torque and driving conditions.

Braking system
The brakes are tuned to work with the ABS and tyres to reduce stopping distance, and maximize stopping power and directional control while braking.

TPMS (Tyre Pressure Monitoring System)
Measuring sidewall stiffness and wheel radius, TPMS alerts you when a tyre needs pressure adjustment by displaying the information on the cluster screen.

Up the fun.

Life in the all-new Picanto is all about letting the good times roll. And what better way to add a little extra fun than with a range of trim packages that let you make your own kind of statement.

Body styling kit

Make sure your Picanto is as unique as you are. Now you can make an eye-catching style statement on the road. Add a host of striking design details and colour accents to each side of your Picanto's exterior with this accessories kit, which includes side skirts, a tailgate trim line and door mirror caps. Available in elegant silver, classic piano black and vibrant red. All these products are offered both as a kit and for individual purchase.

Accessorize in style.

Give your all-new Picanto an edge with a range of functional and styling accessories. From customizable options to express your style to practical ways to protect your car, there's the perfect accessory for everyone.

LED footwell illumination

Give your cabin the red carpet treatment with this premium touch that bathes the front footwell in exquisite ambient light whenever the doors are unlocked, fading out when the engine starts. Available in stylish red and classic white.

LED door projectors, Kia logo

Make a stylish entrance in the darkness – with subtle yet sharp beams for gorgeous ambient ground lighting, featuring the Kia logo. Automatically activated when the front doors are opened.

All-weather mats, with colour accent

Whatever adventure you've been on, don't worry about wet, muddy or sandy shoes when you get back in the car. These durable and easy-to-clean floor mats protect the whole of your cabin floor. With a customized shape, Picanto logo in two different colours and fixing points to hold them firmly in place.

Rear bumper protection foil, transparent

Enjoy peace of mind when loading and unloading frequently – knowing that the top surface of your rear bumper is reliably protected from possible scrapes and scuffs.

Suit yourself.

The all-new Picanto isn't short on anything – but its wide range of optional extras allows you to customize your car so that it's an absolutely perfect fit for your lifestyle.

Sunroof

Enjoy the breeze with a sunroof that opens and closes smoothly with a simple press of a power button.

Auto Temperature Control

Enjoy one-touch comfort with Auto Temperature Control. Just set your preferred temperature, and the automatic system will monitor and maintain it until you change or cancel.

Audio remote controls

Buttons mounted on the steering wheel let you adjust the audio – while keeping your eyes firmly on the road.

Auto cruise control

Set, adjust or cancel the automatic system, with buttons right at your fingertips.

Audio system

The optional five-speaker, compact 3.0 audio system with RDS includes a flat, mono TFT-LCD screen. In addition to radio, it offers connectivity with portable devices through its AUX and USB inputs.

Manual Temperature Control

Simple graphics let you choose your temperature and airflow preferences and adjust them as you like. Illuminated icons show you the current settings in the dark.

MDPS with tilt steering wheel

Motor-Driven Power Steering simplifies turning, while a tilt steering column helps you get in and out.

Segmented cluster LCD

Keep vital information front and centre with the segmented cluster, located between the instrument dials.

Body-colour outside mirrors

Get a more luxurious look with body-coloured outside mirrors. Available heated, folding and with side-marker repeaters.

AUX and USB ports

Connect audio players and mobile devices via USB or mini-RCA cords for playback.

Auto light control

Set the stalk ring to Auto and the front and rear lights will turn on or off depending on lighting conditions.

Black-paint outside mirrors

Tasteful black-painted outside mirrors offer aesthetic continuity with the black window trim segments.

Alloy pedals

Racing-inspired alloy pedals add to the fun of driving. Raised rubber grips help ensure confident footwork.

Tweeters

Tweeter speakers, at each end of the dash, help bring out the high-end parts of the audio signal.

High-mounted stop lamp

From the subtle spoiler above the rear window, the high-mounted stop lamp helps drivers behind you see when you're braking.

Smart key

The Smart Key remote lets you unlock or lock the doors without a key, and allows you to start the car simply by pushing a button.

Keeping you in stylish company.

Take your pick of eye-catching interiors – from elegant cloth to artificial leather to the bold Sports packages. Whatever your choice, we're confident that it will be a perfect match.
