The Power to Surprise

Life is what you make of it.
Welcome to the world of Kia.

Life is spectacular. It is vivid, unpredictable and exciting in all its facets. Whatever will happen, wherever you will go and whatever you will discover, Kia is with you.

We at Kia have dedicated our lives to making a contribution towards building a better future. That is why we develop and build cars which help you to discover and enjoy new horizons. Cars with stunning designs, advanced technologies and smart solutions. Cars with our remarkable 7-year warranty as proof of our outstanding quality. Whatever we do, we are driven by one mission: to always exceed your expectations. We call it 'The Power to Surprise'.

Now, we invite you to take a closer look and allow us to surprise you.

The Kia Sportage

For journeys, not just destinations.

The Kia Sportage is all about offering you more than you'd expect. More breathtakingly distinct design. More cutting-edge technologies. More advanced features to enhance your comfort and safety. More reasons to get out and seize each day. It's about discovering a whole new way of seeing the world. Exploring. Venturing out. Going far and not so far. Finding new adventures, and new places. With so much innovation, style and comfort to enjoy, the Sportage is the perfect car for making every journey count.

Exterior design

Striking. Regardless of the backdrop.

The stunning Kia Sportage manages to stand out no matter where you are. Whether you're zipping through the city or making your way off the beaten track, cruising the open road or parked right at home, the Sportage is the perfect combination of sportiness and style. Designed and produced in Europe, with distinctive, innovative design and truly striking features, both the Sportage and the Sportage GT Line offer you pure refinement for every adventure you can think of.

Exterior design

Refinement redefined.

You'll make a statement in the eye-catching Kia Sportage – without saying a word. The distinctive exterior design features a commanding side profile, a muscular stance and a bold front and rear design. The sculpted front bonnet with the Kia signature grille gives the Sportage an unmistakably sporty appearance. And to round things off, touches like the sweeping rear lights add sleek style.

- 1. Eye-catching full LED headlamps and distinctive 4-point LED Daytime Running Lights ensure the road ahead is always crystal clear
- 2. Striking rear LED lights deliver powerful illumination – and a memorably unique look.
- 3. Bold 19" alloy wheels with silver machine finish add even more stand-out style.

Interior design and quality

You won't just see the difference. You'll feel it.

You'll want to be very hands-on in the Kia Sportage. Full of soft-touch materials, high-end finishes and the utmost attention to every detail, the interior of the Kia Sportage is just as comfortable as you'd imagine. From the stylish seats to the use of premium quality materials throughout the cabin, there's no shortage of features to make you feel right at home. The ergonomic cockpit is fully oriented towards the driver – with everything perfectly placed for you to use or view with ease. While the upper part of the dashboard offers a convenient eye-level display zone, the lower, easy-to-reach command zone puts everything you need within reach. It's a beautiful mix of innovation, comfort and world-class design.

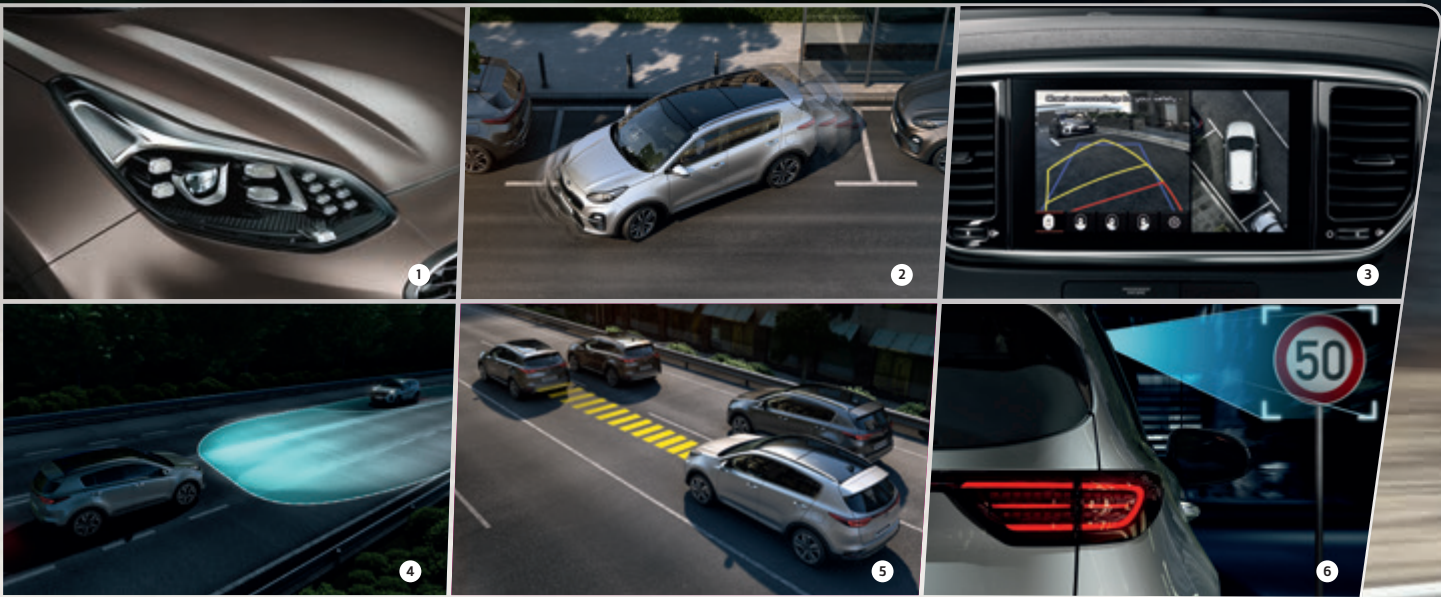

1. The slick **Supervision Cluster** with a large 4.2" TFT-LCD screen delivers precision information about the details of your trip.
2. Sit back and enjoy the beautifully comfortable, perforated **black leather seats with grey stitching**. The driver's power seat offers added comfort with lumbar support, and both front seats feature an electronic switch to help you adjust to your perfect position.
3. The sleek interior maximises both your comfort and style, thanks to a **high-quality** feel with premium, soft-touch materials, high-gloss inserts and satin chrome surroundings.

Driver assistance

We've thought of everything so you don't have to.

The Kia Sportage is packed with innovations to make every journey effortless. From helping you stay within the speed limit or maintaining a safe distance, to improving visibility or hassle-free parking – the Sportage assists you all the way.

1. **Full LED headlamps** keep the road ahead crystal clear and nicely illuminated wherever you go.
2. **Smart Park Assist (SPA)** doesn't just help to guide you into parallel and perpendicular parking spaces – it also assists you in getting out of parallel parking spots with the handy manoeuvring-out function.
3. **Around View Monitor (AVM)** uses four cameras to display a bird's eye view of the car. This gives you a better perspective of your surroundings and makes parking or manoeuvring easier.
4. **High Beam Assist (HBA)** works with a camera in the windshield which detects the cars ahead and automatically switches to high or low beam to match the right driving conditions.

5. **Smart Cruise Control (SCC) with Stop and Go** uses a radar to detect the speed and the distance to the vehicle ahead. It automatically maintains a safe distance to the preceding vehicle, up to a speed pre-set by the driver. In stop and go traffic, the system brings the car to a halt when appropriate and then accelerates back to the original set speed.
6. **Intelligent Speed Limit Warning (ISLW)** gives you all the necessary information to help you stay within the limits. Using the camera on the windshield, it reads speed limits and overtaking restrictions, and displays the information clearly on the navigation screen and cluster.

Convenience and comfort

Every trip will be like a vacation.

The Kia Sportage is designed to be comfortable. More than comfortable, in fact. It's designed to make every trip wonderfully smooth, convenient and effortless. From keyless, hands-free technology like the Smart Power Tailgate, to high-tech chargers, to seats that let you stay comfortable no matter what the season – the Sportage's range of super-smart features give you plenty of reasons to settle in and enjoy the ride.

1. You'll never need to hunt for your keys again. The **Smart Key** gives you easy, keyless access to every ride, and the **Start/Stop button** lets you turn the engine on and off with a simple press.
2. The convenient **Wireless Charger** allows you to drop phones with Qi technology or suitable cases directly onto the floor console for charging.
3. The **Tyre Pressure Monitoring System** shows details of each tyre's pressure so you can always keep them in top shape.
4. A **fast-charging rear USB socket** lets your rear passengers charge their devices conveniently.
5. Imagine having all the information you need on one screen. The **4.2" TFT-LCD screen on the Supervision Cluster** provides you with all the essentials – including turn-by-turn instructions for the navigation system, and all useful trip data.
6. **Heated front and rear seats, and ventilated front seats** keep you beautifully cool in summer and cosy in the chilly months.

Connectivity

Connect, click and enjoy.

There's no need to worry about staying in the loop, because the Kia Sportage is full of ways to stay connected and entertained. Thanks to Bluetooth®, you'll never have to miss a call – or your favourite tunes.

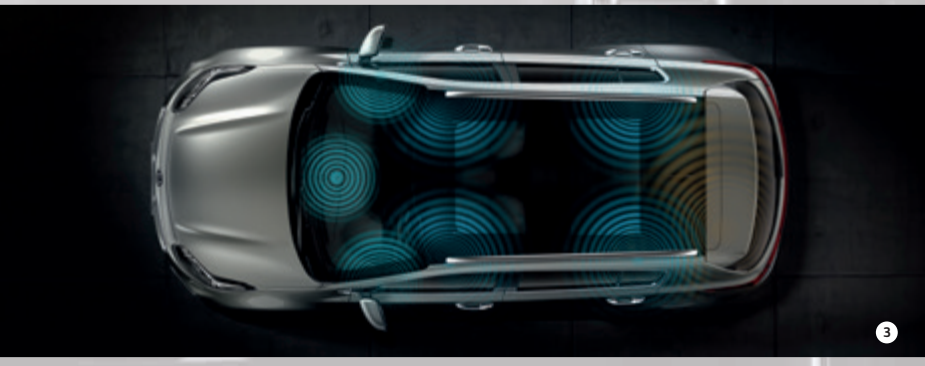

But the Sportage doesn't stop there. A high-tech JBL Sound System provides top-quality sound. The Navigation System keeps you on the right track. And clever connection points make sure your favourite devices are never out of reach.

7

7 Year Map Update

As part of our extensive quality promise, all new Kia vehicles factory-fitted with an LG navigation device are entitled to 6 free annual map updates at the service point. This unique programme ensures your navigation system is always up to date.

1. The 8" frameless Navigation Screen ensures that you always know exactly where you're going. With 2D and 3D maps for the whole of Europe, as well as six free annual map updates, navigation has never been more accurate.

2. Let the music never stop: charge your device or listen to your favourite tunes via USB. There's one USB port situated in the front and one in the rear.

3. The JBL Sound System with 8 speakers features advanced Clari-Fi™ music restoration technology that improves the quality of MP3s and provides high-definition sound.

Bluetooth™

Kia's Connected Services

Where? When? How? The answer is here.

Our new navigation system with Kia's Connected Services powered by TomTom Live Services takes reliable route guidance to the next level of accuracy and excellence. It keeps you in touch with the outside world and offers more handy information than ever. At the heart is a WiFi unit that enables the Sportage navigation system to connect to the Internet through your smartphone.*

1. Live Traffic**:

The navigation system delivers highly accurate live traffic information that is updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

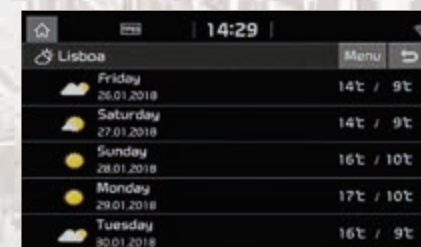

2. Speed Cameras**:

You'll also be alerted to a whole range of speed cameras, including fixed and stationary ones, as well as restricted access zones. The system can even take into account areas where accidents are particularly common, and warn you about these accident black spots.

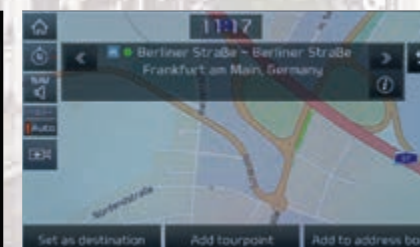

3. Local Search:

If you're looking for a sushi restaurant, a super-market or a particular place to meet, simply select Local Search. The database contains 500 searchable categories, 25,000 keywords and 250,000 places to ensure you find what you need.

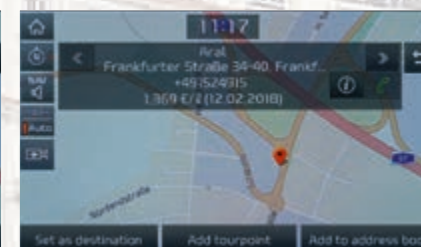

4. Weather forecast:

Is your weekend away going to be sunny or a washout? Better check the weather forecast. Just type in your destination to view a four-day summary, complete with minimum and maximum temperatures, wind speed and chances of sun or rain.

5. Parking information:

To help you park your car swiftly, the system will indicate parking areas before you arrive at your destination. It will show potential on-street parking spaces based on historic data, and off-street parking with colour-coded availability.

6. Fuel info:

When you're running low on fuel, the system will show you the nearest petrol stations and prices using a TomTom online database, so you can plan your refuelling stops accordingly.

*Smartphone with data plan required to activate services. **Legal restrictions to these services may apply depending on country usage

GT Line exterior design

Unmistakably sporty.

The Kia Sportage GT Line oozes sportiness and style. Distinctive design and head-turning features make this ultra-athletic car hard to miss. But why would you want to? The eye-catching hot-stamped radiator grille design, dark chrome finishes, ice cube LED fog lamps and an exposed dual exhaust pipe are just some of the highlights. To round things off, 19" alloy wheels complete the package.

1. 19" alloy wheels with matt silver machine finish give the GT Line its signature sporty style.
2. The exposed dual exhaust pipe and the metal silver skid plate add even more edgy appeal to the eye-catching exterior.

GT Line interior design

Sporty, from the inside out.

The interior of the Sportage GT Line is seriously impressive. You'll love the feel of the dedicated D-shaped steering wheel with three spokes and perforated leather. The black high-gloss centre fascia and slick upper dash add equally bold style. To ensure you always sit comfortably, there is a choice between the striking cloth and leather upholstery or optional soft-touch leather seats. Lastly, the aluminium finish pedals keep things stylish right down to your toes.

1. The GT Line pedals boast an aluminium finish for added sportiness.
2. The distinctive D-shaped steering wheel is a stand-out feature, with three spokes, perforated leather detailing and the GT Line logo.

Dynamics and capabilities

You might want to take a trip. Or twenty.

There's nothing quite like setting off on an adventure. And in the Kia Sportage, you'll want to find any excuse at all to get out onto the road. That's because the Sportage was built to give you full freedom and control, no matter where you go. Advanced SUV capabilities with Four Wheel Drive continuously monitor driving conditions to maintain traction on rough, loose or slippery surfaces. It also helps improve lateral stability when cornering.

Thanks to the innovative Rack-mounted Motor Driven Power Steering, you'll enjoy an even more refined drive – with smoother steering, better handling stability and direct driver response.

1

2

1. Hill Start Assist Control takes the hassle out of starting on an incline, by preventing you from rolling backwards.
2. Downhill Brake Control helps keep you nice and steady – and at a stable speed during steep descents.

Versatility and spaciousness

Plenty of space to enjoy – and share.

Because journeys are even more fun when they're shared, the Kia Sportage gives you loads of room to enjoy. The uniquely configured cabin makes things just as comfy for your passengers as for yourself. In fact, with such spacious dimensions and reclining rear seats, every seat will feel like the best one. To give you the flexibility to use your space however you choose, the Sportage's seats are also able to move and fold to create an almost flat floor. And, with the generous capacity of the 2-level trunk, you'll always have ample room to bring a crowd along for the ride.

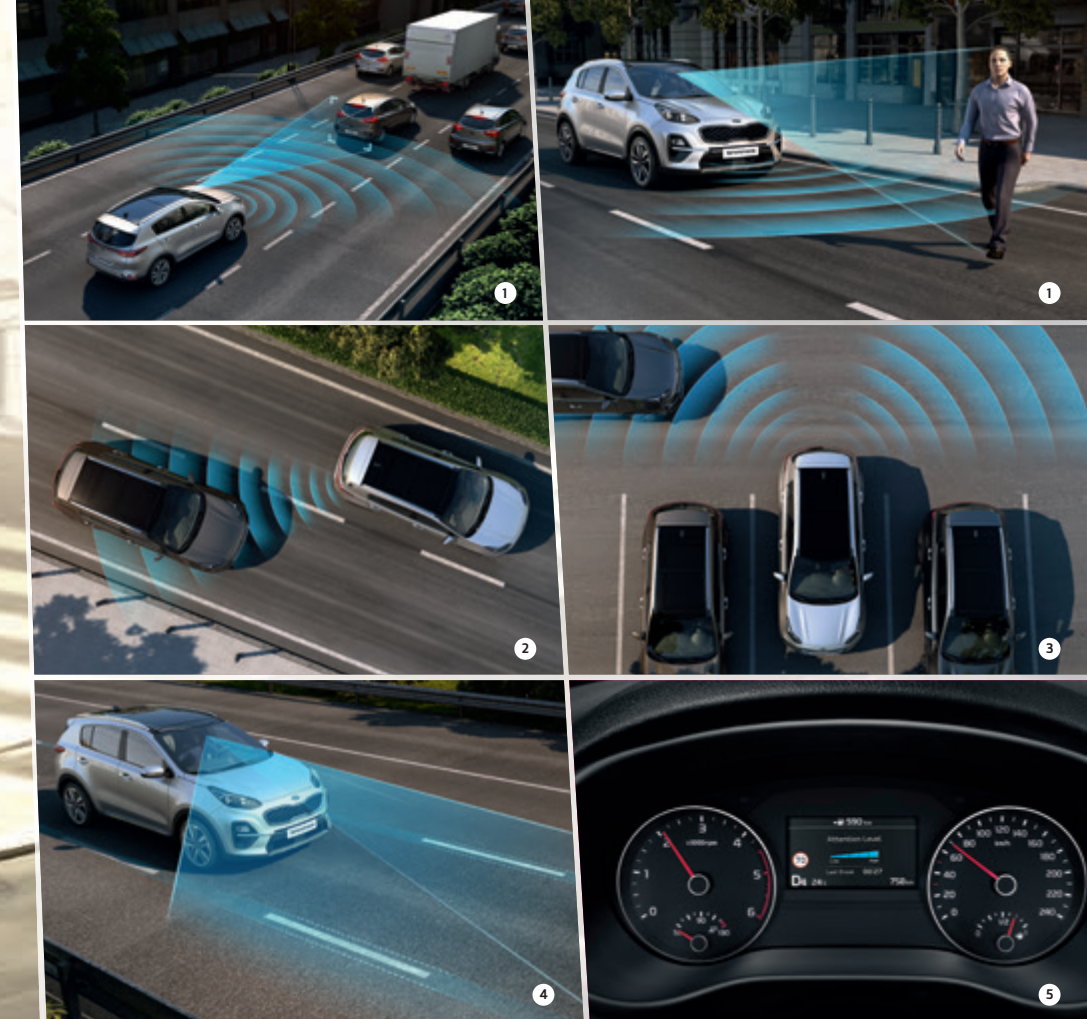

1. For maximum versatility and flexibility, the convenient **folding rear seats** split 60:40.
2. The **spacious trunk** is versatile, flexible and roomy with all seats in place. With the rear seats folded down, it offers an astonishing 1,469 litres of load capacity.
3. The **2-level trunk floor** offers you even more flexibility with additional load capacity on the lower level.

Safety

We've got you covered.

Structurally reinforced with ultra-high-tensile steel to offer even more protection, the advanced body shell is built to ensure your safety. At the same time, six airbags that activate in the event of a collision keep you and your passengers safe. When it comes to active safety, a host of hard-working systems keep you confidently in control on the road.

1. Forward Collision-Avoidance Assist (FCA)

The Forward Collision-Avoidance Assist is capable of detecting both the preceding vehicle and pedestrians crossing the road. Using sensors and a camera to monitor the proximity and velocity of vehicles, it warns the driver in the event of any potential collision risk. If there's no driver reaction, the car brakes automatically to avoid or mitigate an accident.

2. Blind-Spot Collision Warning (BCW)

The Blind-Spot Collision Warning has radar sensors that monitors your blind spots and warns you of oncoming cars with a flashing light on the side-view mirror.

3. Rear Cross-Traffic Collision Warning (RCCW)

When reversing out of a parking space or drive-

way, the radar-based Rear Cross-Traffic Collision Warning alerts you to potential traffic crossing your path.

4./5. Lane Keeping Assist (LKA) and Driver Attention Warning (DAW)

The Sportage's intelligent system of cameras and sensors is at work in a wide range of features: Lane Keeping Assist (LKA) alerts you when you unintentionally drift out of your lane and even steers you back when required. Driver Attention Warning (DAW) monitors the driver steering and acceleration pattern to detect if you're losing concentration and alerts you with a warning sound and a coffee cup symbol in the cluster.

Engines

Smart engines. Clever technologies.

The new Kia Sportage engine line-up impresses with remarkable performance, efficiency and innovative technology, including the latest diesel 48V mild-hybrid power train. Designed to fit seamlessly into your life, it offers low-emission driving with no plug-in recharging required. The range also features powerful petrol and diesel models, including the mighty 1.6 Turbo GDi petrol engine, available with the GT Line. These can be combined with sophisticated transmission options, all providing an agile, smooth and fuel-efficient ride.

1. 1.6 Turbo GDi petrol

The GT Line's 1.6 Turbo GDi petrol engine offers an impressive 177 PS and enough oomph to keep you in the fast lane.

2./3. Transmission

For quick, smooth gear changes, choose Kia's latest 6-speed manual transmission technology. Or opt for the latest generation 7-speed dual-clutch transmission for sporty driving paired with fuel efficiency. The electronically controlled 8-speed automatic transmission provides smooth, seamless shifting for a comfortable ride.

2.0 CRDi Ecodynamics+ diesel mild-hybrid

The Ecodynamics+ mild-hybrid system combines green credentials with effortless everyday driving. The system pairs a 2.0 CRDi diesel engine with a 48-volt lithium-ion battery to significantly reduce fuel consumption. Operating seamlessly, the e-machine recovers kinetic energy during deceleration phases and provides torque assistance when accelerating.

Start: The engine is started by the e-machine to ensure a prompt and smooth start.

Torque assist: During acceleration or uphill driving, the e-machine provides torque assistance by taking energy from the battery to support the engine.

Cruising: When driving at constant speed, the combustion engine partially recharges the battery on-the-go if the charge level is low.

Energy recuperation: When decelerating or braking, the energy generated by the vehicle motion is converted into electrical energy to recharge the battery.

Moving Stop & Start: When decelerating to a stop, the combustion engine turns off automatically during in-gear deceleration and braking to save fuel.

ECO dynamics+

Accessories

Finish with a flourish.

The Sportage is an impressive package – but there's always room to add a few extra touches. With a range of high-quality, genuine accessories that have been designed and engineered to enhance the looks and capabilities of the Sportage, you have everything you need to make your car even more perfectly suited to your tastes. Just speak to your dealer and we'll take care of the rest.

- 1. Textile floor mats, velour & white LED footwell illumination**
High-quality velour mats protect the footwell and keep the interior looking fresh. Also available with GT Line logo and double stitching on the border. The subtle white LED lighting provides welcome illumination that automatically switches on and off with the opening and closing of the doors.

- 2. Cross bars, aluminium**
Sturdy lightweight aluminium cross bars purpose-made only for the Sportage roof rails. Easy installation and removal.
- 3. Door mirror caps**
High-gloss stainless steel mirror covers add eye-catching detailing to the Sportage. These can be harmoniously combined with other bright styling elements.

- 4. Trunk liner**
This light, waterproof and durable trunk liner with raised edges protects the trunk area from dirt, spills and grime.
- 5. Tow bar**
A high-quality, corrosion-resistant tow bar offers you easy, secure and discreet underside mounting.
- 6. Cargo separator**
Fitting perfectly between the rear seatbacks and the roof, this robust and easy-to-install grid protects you and your passengers from the movement of items in the trunk.

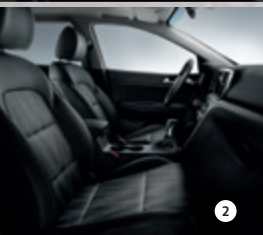

Interior grades

Feels just as good as it looks.

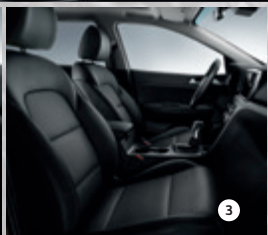

Sophisticated shades and high-end soft-touch materials give your interior a contemporary feel and finish. With a wide range of options, you'll find the perfect choice to suit your tastes.

Peace of mind

Even more peace of mind.

7-year vehicle warranty

Every Kia benefits from a 7-year/150,000 km new car warranty (up to 3 years unlimited; from 4 years 150,000 km). This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule.

5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

Stay in touch with Kia

Visit www.kia.com for all the latest news. Find out more about Kia and our exciting new car range. Get updates on achievements in alternative fuel development, like liquid gas, hybrid and fuel cell technology. Or discover what our Environment Research Centre is working on.

We're also involved in major sporting events: Kia is an official partner of both UEFA and FIFA. We sponsor the Australian Open and the tennis star Rafael Nadal.

Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Please ask for details.

The Kia 7-year warranty
Max. 150,000 km vehicle warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar). Deviations according to the valid guarantee conditions, e.g. for paint and equipment, subject to local terms and conditions.
