

The new Kia

XCEED

The Power to Surprise

Life is what you make of it. Welcome to the world of Kia.

Life is spectacular. It is vivid, unpredictable and exciting in all its facets. Whatever will happen, wherever you will go and whatever you will discover, Kia is with you.

We at Kia have dedicated our lives to making a contribution towards building a better future. That is why we develop and build cars which help you to discover and enjoy new horizons. Cars with stunning designs, advanced technologies and smart solutions. Cars with our remarkable 7-year warranty as proof of our outstanding quality. Whatever we do, we are driven by one mission: to always exceed your expectations.

We call it 'The Power to Surprise'. Now, we invite you to take a closer look and allow us to surprise you.

A vibrant yellow Kia Xceed SUV is parked on a city street. A young couple is walking past the car, smiling. The woman is wearing a yellow blazer and a patterned dress, carrying a black handbag and a small box. The man is wearing a blue jacket and red trousers, holding a coffee cup. The background features a blue building and a modern storefront. A large yellow 'X' graphic is overlaid on the left side of the image.

Thrill ... your spirit

If seeking new challenges inspires you, if embracing new experiences excites you, if leaving everyday comfort zones drives you on, then welcome to the different beat of the new Kia Xceed. Straight away you can tell this is a cross-over with a difference. Notice the standout SUV front grille, incorporating a unique Z-shaped Ice-Cube LED headlamp design with standard fog lamps. Then look closer and take in the daring lower front grille and subtle satin chrome skid plate, which add extra excitement. Add to that its bold shape and playful persona and suddenly it becomes clear – the new Kia Xceed is designed for drivers who live for the next thrill ahead.

ALTERNATIVE

Thrill... your spirit

If seeking new challenges inspires you, if embracing new experiences excites you, if leaving everyday comfort zones drives you on, then welcome to the different beat of the new Kia XCeed. Straight away you can tell this is a crossover with a difference. Notice the standout SUV front grille, incorporating a unique Z-shaped Ice-Cube LED headlamp design with standard fog lamps. Then look closer and take in the daring lower front grille and subtle satin chrome skid plate, which add extra excitement. Add to that its bold shape and playful persona and suddenly it becomes clear – the new Kia XCeed is designed for drivers who live for the next thrill ahead.

Challenge ... your perceptions

Cross over to the buzz of doing it your way; the joy of exploring your own thing; the fun of playing to your own tune ... in the new Kia XCeed the possibilities are endless. From its sporty coupé crossover silhouette, highlighted by a fast-sloping roofline and SUV-styled wheel arches and side sill, down to the bold dedicated 18" wheel design, it's obvious that the Kia XCeed stands proudly away from the crowd. Add to that a generous ground clearance for any terrain, with an elevated yet still sporty seating position for maximum visibility as well as sheer driving pleasure, and you have the perfect partner for discovering new horizons, inside and out of the city.

Where others may shy away from what's round the next corner ... you say bring it on. That's why when you drive past in the new Kia XCeed, others simply look on in admiration at your choice of crossover and how much it says about you. Maybe it's the iconic low-angle rear design with elegant tail lights that demands respect; or maybe it's the distinctive shape of the rear bumper that leaves such an impression; or even the dual exhaust tips and hyper-silver diffuser that set the pulse racing. Or maybe it's simply because from behind the new Kia XCeed looks and sounds like exactly what it is ... the most thrilling driving experience around.

Embrace ... your irreverence

The image shows the front interior of a car, specifically a Kia XCeed. The dashboard is black with yellow accents around the air vents and the infotainment screen. The steering wheel is black with a silver Kia logo in the center. The instrument cluster is a 12.3-inch digital display. The center console has a gear shifter and handbrake. The seats are black with yellow stitching and a honeycomb pattern. A large yellow 'X' is overlaid on the right side of the image.

Expand ... your horizons

If you know your own mind and set your own standards for innovation, you'll immediately know that the stylish interior of the new Kia XCeed sets new benchmarks in quality, comfort, technology and connectivity. From the moment you sit inside you'll discover a striking combination of style and substance, from the sleek dashboard to the sophisticated seating, from the highly visible 12.3" full digital cluster display to the 10.25" navigation system. What's more, you'll find Kia's exclusive UVO Connect telematics system with Kia Live delivering live navigation-related updates, and the UVO App for Android and Apple smartphones with a host of diagnostic features – all designed to put you in complete control for whatever adventures lie ahead. For added fun, there's also the option of our yellow interior colour pack, featuring yellow accents on the dashboard, yellow door panel stitching and seats with yellow stitching and a unique honeycomb pattern design.

ALTERNATIVE

Fire ... your freedom

Being open to the city, open to adventure and open to endless possibilities means the new Kia XCeed is your ideal travelling companion. With its dynamic yet spacious new body type, you never need to sacrifice style or versatility. From the moment you see the 40:20:40 rear folding seats, 426 litres of spacious luggage room, the numerous storage features and the Smart Power Tailgate, you'll know that this is a crossover designed to work for you as well as delight and surprise everyone with you.

Ignite ... your imagination

If what's ahead excites you more than what's right in front of you, then approaching the new Kia XCeed is always a thrill; because this is a crossover that combines bold design for bold thinkers, a spacious interior for intrepid adventurers, exceptional comfort for those who appreciate luxury and a level of convenience that will constantly delight. Open it up with your Kia Smart Key, pack it up using the Smart Power Tailgate, fire it up with the engine start/stop button and get ready for the excitement.

Convenience
and comfort

Heated and ventilated front seats + rear heated seats

Whatever the weather has in store, the Kia XCeed is always ready for it. The front and rear seats can be heated on cold days. Using three adjustable settings, they warm up quickly and then level off after the desired temperature is reached; plus, on hot summer days the front seats can be ventilated to keep you cool and comfortable.

40:20:40 flat-folding seats

Thanks to the split-folding seats, the XCeed adapts to your needs – great for carrying passengers and all their luggage, as well as transporting bulky items, sports equipment, skis and much more.

12.3" full digital instrument cluster

The optional full digital instrument cluster features a 12.3" high-definition display, offering essential information at a glance and everything you need to keep you in touch with your driving.

Connect ... your world

If possibilities know no boundaries, and you're constantly on the move, the new Kia XCeed keeps you connected with technology that is both simply effortless and compatible with Android Auto and Apple CarPlay. Select your destination via the premium navigation system with seamless 10.25" touchscreen or simply send it to your car from your UVO Connect mobile app, charge your phone wirelessly or use Bluetooth® with voice recognition for all your music and calls – whatever the journey holds, you're always connected and ready for it.

Wireless phone charger

Forget cables, just place your smartphone with Qi technology on the convenient wireless phone charger.

JBL Premium Sound System

For great sound, the new Kia XCeed offers a high-performance JBL Premium Sound System. It features eight speakers and advanced Clari-Fi music restoration technology to improve the quality of MP3s and provide high-definition sound.

Infotainment

7 Year Map Update

As part of our extensive quality promise, all new Kia vehicles factory fitted with an LG navigation device are entitled to 6 free annual map updates at the service point. This unique program ensures your navigation system is always up-to-date.

Exploit...

your expertise

KIA UVO CONNECT

Created exclusively by Kia, UVO CONNECT brings driving into the digital era in two distinct ways. Firstly, our new Kia Live service delivers real-time information to your navigation system with a range of information for your journey, and secondly, our new UVO app offers a range of data and information about your car through your Android or Apple smartphone. What's more, this exciting new technology has been developed to comply with the latest EU Data Protection Directive, ensuring the highest levels of data privacy, transparency and protection.

UVO

Connect

Kia Live

Once activated, Kia Live makes use of the SIM card included in the infotainment system to retrieve and update live data for its services, so you have access to seamless information displayed directly on the navigation screen.

Live traffic information

The navigation system delivers highly accurate live traffic information from TomTom that is updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

Camera/danger zones

Be alerted to a whole range of fixed and stationary speed cameras as well as restricted access zones. The system also alerts you to areas where accidents are particularly common.

Weather forecast

With an up to four-day forecast available, you can simply type in your destination to view a complete summary, including minimum and maximum temperatures, wind speed and chances of sun or rain.

Points of interest

Looking for a place to eat, a local business or somewhere special to visit? All this information and more is easily accessible with the live, regularly updated POI directory.

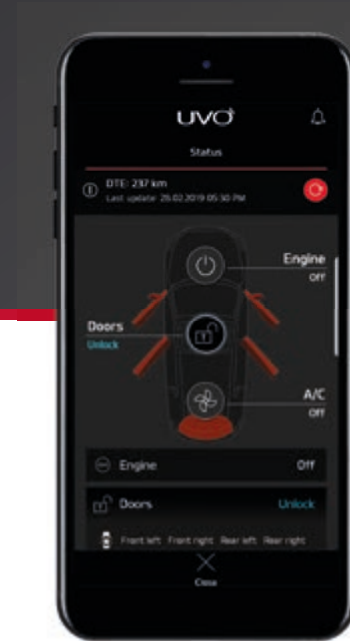

Parking

Kia Live shows available parking locations before you arrive at your destination. It will show potential **on-street parking** and **off-street parking**, including locations, details, prices and availability.

Fuel info

When you're running low on fuel, the system will show you the nearest petrol stations and prices using a TomTom online database, so you can plan your refuelling stops accordingly.

UVO App

Designed for both Android and Apple smartphones, the UVO app offers complete peace of mind with a whole range of features dedicated to providing diagnostic data about the status of your car and the trips you take. The app can also activate a range of remote functions and features when you are away from the car.

Vehicle Information

Find my car

tells you the last known location of your vehicle – ideal if you are parked in a large car park.

Vehicle status

offers an overview of key elements of your car's status such as door locks, ignition, battery and charge level.

My trips

gives a summary of your previous journeys including average speed, distance driven and time in transit.

Remote Service

Send to car

allows you to pre-plan and set your journey through the app for seamless use in the navigation system.

Notifications

Notifications will notify you whenever the car alarm is triggered; share **Diagnostic Notifications** with you about the current status of your car; and supply you with a **Monthly Vehicle Report** giving an overview of your car usage.

Information and control service for your Kia; the services will be available free of charge for a period of seven years commencing on the day the vehicle is sold to the first owner of the vehicle, i.e. the point in time the initial purchase agreement becomes effective, and may be subject to change during that period. Details of operation and terms of use can be obtained from your Kia partner and on kia.com. Smartphone with iOS or Android operating system and mobile phone contract with data option necessary incurring additional cost.

Where? When? How?

The answer is here.

Our new navigation system with Kia's Connected Services powered by TomTom Live Services takes reliable route guidance to the next level of accuracy and excellence. It keeps you in touch with the outside world and offers more handy information than ever. At the heart is a Wi-Fi unit that enables the XCEED navigation system to connect to the Internet through your smartphone.*

Kia's Connected Services

Live Traffic**

The navigation system delivers highly accurate live traffic information that is updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

Local Search

If you're looking for a sushi restaurant, a supermarket or a particular place to meet, simply select Local Search. The database contains 500 searchable categories, 25,000 keywords and 250,000 places to ensure you find what you need.

Parking information

To help you park your car swiftly, the system will indicate parking areas before you arrive at your destination. It will show potential on-street parking spaces based on historic data, and off-street parking with colour-coded availability.

Speed cameras**

You'll also be alerted to a whole range of speed cameras, including fixed and stationary ones, as well as restricted access zones. The system can even take into account areas where accidents are particularly common, and warn you about these accident black spots.

Weather forecast

Is your weekend away going to be sunny or a washout? Better check the weather forecast. Just type in your destination to view a four-day summary, complete with minimum and maximum temperatures, wind speed and chances of sun or rain.

Fuel info

When you're running low on fuel, the system will show you the nearest petrol stations and prices using a TomTom online database, so you can plan your refuelling stops accordingly.

* Smartphone with data plan required to activate services. ** Legal restrictions to these services may apply depending on country usage.

androidauto

Android Auto™ is designed to keep you perfectly connected to your phone – while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your Xceed's display, so you can get directions, make a call and listen to music – all while staying focused on the road.

* Smartphone with data plan required to activate services. ** Legal restrictions to these services may apply depending on country usage.

Protect ... your independence

Whilst the thrill of the road ahead and the excitement of new experiences drive you, it's good to know that you're constantly being protected, too. That's why the new Kia XCeed comes with Kia's ADAS (Advanced Driver Assistance Systems) – a range of innovative features and sophisticated technology to keep you and your passengers as safe as possible.

Safety and assistance

Forward Collision-Avoidance Assist (FCA)

The FCA system can detect preceding vehicles as standard and, as an option, pedestrians crossing the road. Using a camera and radar sensors to monitor the velocity of and distance between vehicles, it warns the driver in the event of a potential collision risk by activating a visual alert. In conjunction with optional pedestrian detection, the steering wheel gives a haptic response. If there is no driver reaction, the car brakes automatically to avoid or mitigate an accident.

Smart Cruise Control (SCC) with Stop and Go

Using a camera and radar, Smart Cruise Control can regulate both the XCeed's speed and the distance to the car in front. The system maintains the distance to the preceding vehicle by automatically modulating your car's speed. If the vehicle ahead picks up the pace, the XCeed accelerates up to the set speed. If the vehicle in front slows down and the predetermined safe distance cannot be maintained, the system will reduce the speed, or even stop the car. A helpful feature, particularly in heavy traffic.

Blind-Spot Collision Warning (BCW)

The Blind-Spot Collision Warning system has radar sensors that monitor your blind spots and warn you of oncoming cars with a symbol in the side-view mirror.

Lane Keeping Assist (LKA)

No need to worry about drifting out of your lane. Lane Keeping Assist uses a camera mounted at the top of the windscreen to monitor lane markings, and if you move out of the lane unintentionally the system will alert you and even steer the car back into your lane.

Rear-View Monitor (RVM) with Dynamic Parking Guidance

The Rear-View Monitor, available on the 8" or 10.25" multimedia and navigation screens, gives you the full picture when reversing into a parking spot by displaying dynamic guidelines to help guide you into place.

Driver Attention Warning (DAW)

The system detects whether you're losing concentration by monitoring the pattern of the steering wheel, indicator, acceleration and overall duration of the journey. If you show signs of drowsiness or inattentiveness, DAW alerts you and recommends taking a break.

Liberate ...

your options

The new Kia XCeed is all about giving you the freedom to experience the unexpected whilst making everyday driving hassle-free, with innovative features that enable you to drive more safely. Negotiating traffic jams, help with parking or shining a brighter light at night? The XCeed takes care of it so you can avoid any potential danger.

Lane Following Assist (LFA)

Kia's level 2 autonomous driving system takes a giant leap towards semi-automated driving. LFA controls acceleration, braking and steering depending on the vehicles in front. This makes driving in traffic jams easier and safer. The system uses camera and radar sensors to maintain a safe distance to the preceding vehicle and monitors road markings to keep your car in the centre of your lane. LFA works between 0 and 180 km/h.

Safety and assistance

Rear Cross Traffic Collision Warning (RCCW)

When reversing out of a parking space or driveway, the radar-based Rear Cross Traffic Collision Warning system alerts you to potential traffic crossing your path.

Smart Parking Assist (SPA)

Smart Parking Assist makes parking a breeze. It uses front, side and rear sensors to locate a parking spot and assist you with parallel and perpendicular parking. All you need to do is handle the brake, accelerator and gears – the system takes care of the steering. It can even help you pull out of parallel parking spaces.

High Beam Assist (HBA)

When conditions allow, the XCeed will turn on its high beams automatically. When the camera in the windscreen detects the headlights of an oncoming vehicle at night, the High Beam Assist system automatically switches to low beam to avoid dazzling other drivers.

Intelligent Speed Limit Warning (ISLW)

The Intelligent Speed Limit Warning gives you all the necessary information to help you stay within the speed limits. Using the camera on the windscreen, it reads speed limits and overtaking restrictions, and displays the information clearly on the navigation screen and cluster.

Powerful engine design

For dynamic driving in the city and on the open road, the new Kia XCeed comes with 4 powerful engine sizes and 5 power outputs, ranging from 120 to 204 PS. Backed by expert engineering at every level, all power trains have been refined to meet the latest European emissions regulations.

Fuel... your desires

Dynamic driving, agility and outright power are at the very heart of what sets the new Kia XCeed apart from the rest of the crossover crowd. The XCeed power trains can be configured to maximise performance with 6-speed manual or 7-speed dual-clutch transmission to add a sense of responsiveness to every road trip. For sheer excitement, the paddle shift levers let you move swiftly and seamlessly through each gear change without taking your hands off the steering wheel, plus with extra drive mode options every journey becomes a memorable experience.

Power train

Manual transmission

The manual transmission combines quick, smooth gear changes and gear ratios matched to engine torque curves. The result? A perfect balance between power and efficiency.

7-speed dual-clutch transmission (DCT)

The latest-generation 7-speed dual-clutch transmission ensures a sporty drive and excellent fuel efficiency.

Paddle shift levers*

The paddle shift levers allow you to change gears swiftly without taking your hands off the steering wheel. They also make driving more dynamic and intuitive, while keeping you in complete control.

* DMS and paddle shift levers are available only for models with a DCT gearbox.

Drive Mode Selection (DMS)*

Designed to push your driving pleasure to the next level, Drive Mode Selection can be operated via a sport button next to the gearstick. Working with the DCT, it increases driving dynamics by providing an improved throttle response and acceleration from idle, as well as optimising performance while overtaking. DMS also offers a better steering response and perfectly complements the 18" alloy wheels for a thoroughly dynamic drive.

Stir ... your passion

If the rest go that way and you instinctively go the other, if your decisions are based as much on the heart as on the head, then welcome to the new Kia XCeed LX or XCeed EX.

The new Kia XCeed LX

Play to a different beat with the new LX, featuring a distinctive black front grille, Ice-Cube LED daytime running lights with convenient High Beam Assist for safe night-time driving, 16" alloy wheels, LED tail lights, Cruise Control, Lane Keeping Assist and Forward Collision Warning. Inside, the 5" radio, Bluetooth and 3.5" cluster display are standard, too, or you can add the optional 4.2" supervision cluster. For premium comfort, Auto Light Control, Driver Attention Warning and front auto-power windows also come as standard on the LX. What's more, other optional extras include dark chrome mesh grille, rear auto-power windows and 18" alloy wheels for added style.

Trim templates

The new Kia XCeed EX

If extra style and comfort are top of your list, the new EX is your answer, with a whole array of added specifications, such as dual-blade shaped dark chrome front grille, front and rear LED lights with front and rear fog lamps, plus eye-catching 18" diamond-cut alloy wheels and front and rear power windows with Auto Down. Inside, you'll find a whole array of exciting extras, including a leather steering wheel and shift knob, an 8" audio display screen upgradable to a 10.25" navigation, Bluetooth with voice recognition, a rear-view monitor for dynamic parking and a 4.2" cluster display, which you can upgrade to the optional 12.3" full digital display. For added ease of use there's also optional smart-key technology as well as push-button start, and outside you can also opt for a dark chrome front grille to add that extra touch of distinction.

Prize ...

your originality

When every opportunity is an adventure waiting to happen, the new Kia XCeed has a whole range of accessories to match your thirst for embracing it. From a quick weekend away, to sporting adventures or big shopping excursions, our range covers all your needs including handy extras to personalise your experience. It also includes many stylish solutions to emphasise the dynamic looks of your new XCeed. Whatever you're looking for, we've got you sorted.

Cross bars, aluminium

Light and easy to install, these strong and perfectly fitting aluminium cross bars help you transport all you could possibly need on your next adventure.

Bike carrier for all tow bars, and roof box

The bike carrier for all tow bars is the ideal companion for cycling holidays or day trips out. Designed for maximum enjoyment and minimum hassle. It can carry two bikes. In addition, you'll probably need more luggage space than usual. Before you start cramming things into your cabin, enjoy the comfort of this sleek and durable roof box. Easy to install and with dual side opening for extra-fast access.

Accessories

Rear bumper trim line, chrome optic

A small detail, with a sophisticated touch. Introduce this refined surface finish to your rear bumper in delicate dark stainless steel, for a sleek accent along your rear bumper. Also available in brushed aluminium finish.

Trunk sill trim line, chrome optic

These glossy stainless steel shields are ideal for adding a refined horizontal detail to the inner sill and rear bumper of your XCeed's load area. Also available in brushed stainless steel finish.

Door mirror caps, chrome optic

Attention to detail can make all the difference. Raise the overall visual impact of your XCeed by complementing its exterior styling with these high-gloss stainless steel caps. Also available in brushed stainless steel finish.

LED trunk and tailgate lights

Never feel helpless again while trying to find some specific item in the dark or step into something while doing so. The LED trunk and tailgate lights come to life as soon as you open the tailgate. Enjoy perfect visibility in and outside your trunk!

Delight ...

your senses

The fun starts here with stylish interior options, carefully selected materials and bold trims; you'll want to get behind the wheel instantly. Choose from our stylish standard all-black fabric upholstery, with satin chrome dashboard and air vents; or alternatively, add optional artificial leather and cloth upholstery in grey or black for that extra-special touch. For the ultimate style statement there's even an optional yellow colour pack with yellow stitching, honeycomb seat pattern design, eye-catching yellow accents on the dashboard and black rooflines, or, for the most refined Kia XCeed, the interior can also be fitted with full genuine black leather upholstery.

EX optional yellow colour pack

This yellow colour pack comes with black artificial leather and cloth fabric seats with yellow stitching and honeycomb pattern design, coupled with a high-gloss centre fascia and eye-catching yellow metal dashboard accents.

Interior grades

LX standard grade

The standard LX grade features all-black fabric seat upholstery and striking satin chrome finishes.

EX standard grade

The standard EX grade features grey artificial leather and cloth seats and eye-catching high-gloss centre fascia with satin chrome finishes.

EX optional black grade

Choose black cloth and artificial leather-trim seats, featuring high-gloss centre fascia and eye-catching satin chrome dashboard accents.

EX optional top black leather grade

Soft, bolstered seats with black genuine full leather offer long-lasting comfort. A perfect match for the high-gloss trim and satin chrome dashboard accents.

The specified consumption and emission values were determined according to the legally prescribed measurement procedures set out in (EU) 2017/1153. The above values have been tested in the new WLTP, Worldwide Harmonised Light Vehicle Test Procedure, test cycle and converted back to NEDC, New European Driving Cycle, and additionally measured according to the RDE, Real Driving Emissions, method. (The provided legal disclaimer is just a "template" copy. The legal disclaimer needs to be validated with your local legal team based on local regulations.)

All Peace of mind you'll need

7-year vehicle warranty

Every Kia benefits from a 7-year/150,000 km new car warranty (up to 3 years unlimited; from 4 years 150,000 km). This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule.

5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

Stay in touch with Kia

Visit www.kia.com for all the latest news. Find out more about Kia and our exciting new car range. Get updates on achievements in alternative fuel development, like liquid gas, hybrid and fuel cell technology. Or discover what our Environment Research Centre is working on.

We're also involved in major sporting events: Kia is an official partner of both UEFA and FIFA. We sponsor the Australian Open and the tennis star Rafael Nadal.

Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Please ask for details.

The Kia 7-year warranty

Max. 150,000 km vehicle warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar). Deviations according to the valid guarantee conditions, e.g. for paint and equipment, subject to local terms and conditions.
